
Timetable for Notification of Intended Import

The appropriate State Veterinary Service (SVS) must receive written notice of the intended import at least one clear **working** day in advance of arrival so that the necessary arrangements may be made for inspection.

The latest day by which notification should be received by SVS is as follows:

Day of Arrival	Preceding working day on which written notification must be given
-----------------------	--

Saturday, Sunday and Monday	Thursday
Tuesday	Friday
Wednesday	Monday
Thursday	Tuesday
Friday	Wednesday

Suitable adjustment should be made for Public and Bank Holidays.
